BRAND:

Is present shearing complete (Y/N):
Total Bales this shearing:

Offering Instructions: Wool will be TESTED for the 1st available sale unless advised below
Hold for further instruction (✓)
FUTURE SALE (requested sale number)

If making more than 1 selection, please note in comments which instruction applies to each lot.

Office Use Weight Note	Sale	Special lotting inst.	Mob No.	L/S	No. Bales	Description	1	2	3	4	5	6	7	8	9	10	11	12	Comments

Lots will be tested for Length & Strength at the brokers discretion, unless clearly marked "No".

4) WOOL GROWER DECLARATION for determination of Dark and/or Medullated fibre Risk (DMFR).

If unable to answer, write Unkn. (these mobs will not receive a DMFR rating).

Mob Number	Bale Numbers From	Bale Numbers To	Mob Sex Codes	Code	AGE	AGE From	AGE To	[1] Contact with [2] Exotic Breeds (Y/N)	CRT details (Y/N) Crutched	CRT details (Y/N) Within 3 mths of shearing
			E = Ewes		1st shearing = 1					
			W = Wethers		2nd shearing = 2					
			R = Rams		2 yo = 2					
			M = Mixed Sex		3 yo = 3					
					4 yo = 4					
					5 yo = 5					
					etc					

1) Contact is defined as mated to, run in the same paddock as, or reared with exotic sheep/lambs or their crosses.
2) Exotic breeds are those that shed dark and/or medullated fibres, these include: Awassi, Damara, Dorper, Karakul, Wiltshire.

OWNER/MANAGER Signature: ..... Date: .....

5) Additional Mob Information

Number Shorn	Hectare's Grazed	Months Growth	Wool Length	Tender (Y/N)	Estimated Micron	Vegetable Matter Content	Light	Med.	Heavy
						B = (Burr)			
						E = (Seed)			
						S = (Shive)			
						N = (Noogoora/Ring)			
						T = (Bathurst)			
						M = (Moit)			
						F = (Bogan Flea)			

6) Chemical Residue

Log of Chemical use kept, (Y/N)	Chemical Residue Risk	
	U = Unkn.	
	N = Nil	
	L = Low	
	H = High	

In order to protect the reputation of Australian Merino Wool from an increasing risk of Dark and Medullated fibre contamination, Jemalong recommend section 4 be fully completed for all mobs. Growers who declare their sheep have not come into contact with Exotic breeds will have their wool offered in a specialty section of the Jemalong Wool catalogue (due to the decreased risk of contamination, these wools may receive premiums in price above those lots that are offered as ND - Not Declared).
