

# VENDOR SALE DECLARATION for DARK and/or MEDULLATED FIBRE RISK (DMFR) and CHEMICAL USE

For use during the TRANSFER of OWNERSHIP OF SHEEP

- This Declaration is for use by woolgrowers who are selling sheep and who wish to advise the buyer of the DMFR and/or Chemical Use status of these animals.
- The DMFR Declaration is for use by Merino woolgrowers on fleece and piece lines only, while the Chemical Use Declaration may be used for all sheep breeds.
- To be valid, the Declaration MUST be signed and dated by the owner or manager (vendor).
